Re: Committee's response to FEC Request for Additional Information

Ms. Lee-Grant:

Please accept this submission as the Committee's response to your request for additional information regarding the above referenced report.

In error, the Committee improperly designated the following contributions for the General 2006 election cycle when they were originally designated by the contributors for the Primary 2006 election cycle:

1. International Union of Operating Engineers, 3/9/2006, \$2,500.00
2. Laborers' Political League, 3/9/2006, \$3,000.00

In response the Committee has amended the April 2006 Quarterly to reflect the correct election cycle.
